Light Vehicle Service Maintenance Technician

Requirements IMI Accreditation in Service Maintenance Technician:

The Service Maintenance Technician should be working in the light vehicle sector and have at least two years' experience.

To achieve accreditation candidates are assessed on their ability to service: mechanical systems, electrical systems, computer based test equipment, braking system, vehicle safety inspection and vehicle service.

IMI Accreditation gives Service Maintenance Technicians:

- Proof of current technical competence and ethical responsibility
- Pride and recognition of achievement
- Enhanced status of accredited technicians
- Automatic inclusion on the IMI Professional Register

IMI Accreditation gives employers:

- Increased customer confidence through employing IMI Accredited technicians committed to an ethical code of conduct
- A benchmark for recruitment and training
- A recognised development path
- Independent quality assurance
- Opportunities to access marketing support and materials
- Legislation compliance

COURSE DURATION: 2 Days - 1 Day Training, 1 Day Assessment
