Vehicle Damage Assessor

(VDA - Reaccreditation)

Requirements IMI Reaccreditation in Vehicle Damage Assessment:

Vehicle Damage Assessors should be working in the accident repair sector and have at least three years' experience and be familiar with the skills, knowledge and techniques required to determine the vehicle damage, identify the correct safe repair method to return the vehicle back to its pre accident condition.

To achieve reaccreditation candidates are required to complete a theory assessment (Part A) and a Practical Task (Part B) including vehicle damage circumstances, recording vehicle data, appraising damage and repair specification, using image review to appraise vehicle damage circumstances and vehicle damage.

IMI Accreditation gives Vehicle Damage Assessors:

- Proof of current technical competence and ethical responsibility
- Pride and recognition of achievement
- Enhanced status of accredited technicians
- Automatic inclusion on the IMI Professional Register

IMI Accreditation gives employers:

- Increased customer confidence through employing IMI Accredited technicians committed to an ethical code of conduct
- A benchmark for recruitment and training
- A recognised development path
- Independent quality assurance
- Opportunities to access marketing support and materials
- Legislation compliance including PAS 125

COURSE DURATION: 2 Days - 1 day training, 1 day assessment
